Workmen are busy making repairs to the county jail. A new heavy steel ceiling is being placed and steel joists are being substituted for the timber ones heretofore in use. The ease with which prisoners confined in that place have made their escape is possibly a thing of the past, and the Sheriff's department will in future rest more in peace. The purpose is to make the jail so strong that a prisoner's breath, much less his body will not be able to escape. The Alamo Construction Co., has the contract, and the work is being done under the supervision of Foreman Bartlett.

Have you ever seen an overflowing bath tub? Well multiply that sight by a couple of million or so, and you may get some idea of the flood scene in "The Sin Flood", the new Goldwyn photodrama at the STAR theatre, February 11 and 12. There is more or less sin floating around in the picture but there is a good deal more water. Just how much it is impossible to say as the Goldwyn offices have stated that Frank Lloyd, who directed it, didn't have time to count the water. But we are assured there was enough to turn any ordinary sized town into a mud puddle and give anyone who sees the picture a slight dampish feeling. 28

Mr. and Mrs. Willie Britsch are receiving the sympathy of their friends and neighbors over the death of their baby daughter, which occurred at 6:00 o'clock Thursday morning. The baby had reached the age of seven months, and been practically an invalid since birth. The words of the Christ: "Suffer little Children to come unto me, and forbid them not, for of such is the Kingdom of Heaven", must be a great consolation to them in this, their hour of sorrow. The little body was laid to rest in the new cemetery at 3:00 o'clock, Thursday afternoon; Rev. Geo. E. Greuber, Pastor of the Lutheran church, conducting the funeral services.

## "BEAUTIFUL SNOW"

A tyro in the weather making business for West Texas has been on the job for the past week, and that he has made a bum job of it we believe is the unanimous opinion of the denizens of this part of the state.

On the 3rd, Old Boreas blew his icy breath from the North and cold chills crept up the spinal columns of the people of Hondo, but all consoled themselves with the thought that it was only a temporary unpleasantness and would pass—and there is where they made a mistake.

Sunday morning the earth was covered with sleet and we all shivered some more. Monday morning a mantle of snow about one inch in thickness was in evidence and the rigors increased. But the climax was reached Tuesday morning, when the thermometer dropped to 21 degrees—and that too, in sunny southwest Texas! But we all lived through it. The experienced old weather man seems to be back on the job, and we hope he will make amends for the brand of weather we suffered here for about five days. All the ice and snow had disappeared by Thursday noon and every indication pointed to a return of our normal West Texas weather.

According to Judge Haass, local representative of the U. S. Weather Bureau, the inclement spell yielded us a total of 1.05 inches of moisture, which was much needed, and which will prove a boon to both pastures and farms. It will doubtless particularly prove of immense benefit to farmers as millions of insect pests must have fallen victims to the cold spell.

As far as we are advised the range cattle, while suffering considerably, pulled through without serious loss to ranchmen and, taken as a whole, the country is the gainer from the coldest spell that has visited this section in years.

Meanwhile our wood piles are none este.

JOHN WESLEY WALLACE.

John Wesley Wallace was born in Washington Parish, La., March 16, 1846, and passed away February 5, 1923, at 3:50 p.m., at the home of his son-in-law and daughter, Mr. and Mrs. Roy Stone, of Hondo, Texas, with whom he and his good wife had been living since July 7, 1922.

He became a Christian while a young man and lived an exemplary Christian life for more than 50 years. He was a member of the Cuero Baptist church where he had lived for half a century.

He was married to Miss Susie Thompson in Austin county, Texas, March 22, 1893. Two daughters were born under them, Mrs. John M. McCoy, Houston, Texas, and Mrs. Roy Stone, Hondo, Texas.

Brother Wallace had been in declining health for several months but his condition has been serious since last Thanksgiving day.

## INDUSTRIAL OPPRESSION CHARGED IN DRIVES.

Washington, Feb. 8.—(Capital News Service).—Oppressive methods in connection with securing subscriptions to "drives" of all kinds, as practiced by employers, executives, and foremen, are charged by indignant employees of many corporations.

A city decides upon a "united charities campaign drive" to finance for a year all the various organizations which attend to its needs and charitable cases. An amount to be raised is decided upon, and large employers of labor are solicited to aid. A common practice is the printing and distribution of blanks, which the employees are solicited to fill out with pledges, the amount of the pledge to be subtracted from their wages or piece-work earnings in stated amounts.

Foremen and executives then trace up each employee and hector him or her into making subscriptions, it being hinted that promotion may depend upon the employee's "generosity".

Employees thus forced to "give" have no say in the distribution of the money, and frequently find that it is inequitably divided, as was the case in Akron, Ohio, which recently raised \$347,000, which was pro-rated as follows: Charity Organization League, \$45,000; Catholic Service League, \$45,000; Jewish Social Service, \$24,000; City Hospital, \$20,000; Children's Hospital, \$35,000; Y.M.C.A., \$35,000; Y.W.C.A., \$30,000; Red Cross, \$10,000; Union Mission, \$15,000; Boy Scouts, \$10,000; Girl Scouts, \$4,800; Crittenden Home, \$6,200; Travelers' Aid, \$4,500; Salvation Army, \$15,000; expenses and 1922 defaults, \$44,000.

Some employees so resented the methods employed to force them to "give", that they resigned their positions.

Have you a lame back, aching day and night? Do you feel sharp pains after stooping? Are the kidneys sore? Is their action irregular? Use Doan's Kidney Pills—the medicine recommended by so many Hondo people. Read this case:

Joe Huesser, Hondo, says: "I can highly recommend Doan's Kidney Pills for I know they are excellent. I suffered with my back and my kidneys bothered me a great deal. I had sharp, knife-like pains in my kidneys every time I moved. I had to get up nights on account of the irregular action of my kidneys. The secretions burned in passage and were highly colored. A friend told me of Doan's Kidney Pills so I used a box, which cured the attack. I always use Doan's now when my back bothers me and they never fail to help me."

The Thrice-a-Week edition of The World is the greatest example of comprehensive journalism in America. It will keep you as thoroughly informed as a daily, which would cost five or six times as much. It is a unique newspaper, published three times a week, for \$1 a year. This is the regular subscription price and it pays for 156 newspapers.

We offer this unequalled newspaper and Fletcher's Farming together for one year for \$1.25.

## POLL TAX PAYMENTS LESS.

According to the records in Tax collector F. G. Muennink's office, Medina county has lost in voting strength. It is possible though that this being an off year in politics, some of our voters that pay tax in election years could see no reason for paying this year, and that the apparent decrease in voting population is due to this rather than to any real decrease in the number of eligible voters, had they availed themselves of the opportunity to take out poll tax receipts.

We are indebted to Tax collector, Muennink, for the following list of poll tax receipts issued in the various voting precincts:

Precinct	Number
No. 1—North Hondo	281
No. 2—Quihi	191

## PLANS BEING MADE FOR THIS SUMMER'S CITIZENS' MILITARY TRAINING CAMP.

Word has been received from 1st Lieut. J. A. Gilruth, Infantry, D. O. L., C. M. T. C. Officer of the 8th Corps Area, which includes the states of Texas, Oklahoma, Colorado, Arizona and Mexico, that elaborate plans are now under way for the continuance of the Government summer camps for young men which proved so popular last summer and the summer before.

Nearly three thousand young men received an outing at Government expense last year, some at Camp Travis, Texas, Fort Sill, Oklahoma, Ft. Logan, Colorado, and Ft. Bliss, Texas.

According to present plans, camps are to be held at Fort Sam Houston, Texas, Fort Sill, Oklahoma, Fort Logan, Colorado, and Fort Hauchuca, Arizona, this year. The branches of instruction offered may be slightly different from those of last year, but in the main will be in the same branches, which includes Infantry, Cavalry, Field Artillery, Engineers, Coast Artillery, Signal Corps and Air Service.

The courses offered include a basic Red Course, which gives fundamental training but does not instruct in any particular branch of the service; Advanced Red Course, which gives basic instruction in branches desired; White Course, (for which graduates of last year's Red Course who were certified as eligible for admission to white course are qualified) fits student to be a non-commissioned officer in the Organized Reserves or the National Guard; and the Blue Course, (for which graduates of last year's white course who were certified as eligible for admission to Blue Course are qualified if of proper age and possess necessary educational qualifications) which fits candidate for commission in the Organized Reserve Corps.

The age limits are the same as for last year, 17 to 25 for the Red Courses, 18 to 26 for the White Course, and 19 to 27 for the Blue Course. These age limits do not apply to those who attended a Citizens' Military Training Camp in 1921. Veterans of the World War may be accepted up to 35 years of age.

## RESOLUTION OF CONDOLENCE.

Whereas it has pleased the Almighty Father of the universe to remove from our midst our late Sovereign, Rudolph L. Haass, and whereas it is but just that fitting recognition of his many virtues should be recognized: Therefore, be it resolved by Bois D'Arc Camp No. 154, Woodmen of the World, Hondo, Texas, that while we bow with humble submission to the will of our Heavenly Father, we do not the less mourn for our friend and Sovereign who has been removed from our Camp.

Resolved, that in the death of sovereign, Rudolph L. Haass, this Camp laments the loss of a good man.

Resolved, that we the members of this Camp sincerely condole with the family of the deceased Sovereign and that the heartfelt sympathy of the members be extended to the family in their sorrow and affliction.

Resolved, that these resolutions be spread upon the record of the Camp and that same be printed in the Hondo Anvil Herald and a copy of same be sent to the family of the deceased Sovereign.

Respectfully submitted,

## Nervous Break-Down

MRS. ANNIE LANGE, of R. F. D. 1, Burlington, Tex., writes as follows regarding her experience with Cardui: "Some time ago I had a nervous breakdown of some kind. I was very weak and so nervous. I had fainting spells and suffered a great deal, but more from the weak, trembly, no-account feeling than anything else. I knew I needed a tonic, and needed it badly. I began the use of Cardui to see if I couldn't get some strength, as I knew of other cases that had been helped by its

use. I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides."

If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years.

Ask for, and insist on, Cardui.

## FARMS, RANCHES TOWN PROPERTY

HONDO

TEXAS

OF KINCHELOE SCHOOL  
CONTROVERSEY.

my former article of December  
stated that the State Superin-  
tendent had rendered a decision in  
favor about November 10.  
From this decision, Superintendent  
and the trustees appealed  
to the State Board of Education for  
redress. After this appeal nothing  
was worth mentioning until Jan-  
uary 18, when the State Board ren-  
dered its decision. This decision also  
was in my favor. After this decision  
the State Board we began to ne-  
gotiate terms of settlement, which  
was reached. Our agreement  
was that they should pay me \$660  
for my resignation; now I have the money  
and they have my resignation.  
My former write-up, I offered  
for more than was neces-  
sary to make my statements clear.  
If you will bear with me I will  
discuss the affair. Are we to  
cancel our contracts as mere scraps  
of paper? If so, why have them?  
I briefly consider the charges  
which I was dismissed. First:  
"not living in the teacherage." I  
was living as August 11, I wrote the  
board that I had no family and  
that I had no board if I taught their  
children, and that if they preferred a  
teacher that could occupy the teach-  
erage I would not contend. Then  
they could be more unjust than to  
ask me to come, and allow me  
each three weeks, then dismiss  
me on the above-named charge?  
Second: "Because I didn't teach  
Spanish." Spanish is not one of the  
subjects included in my certificate,  
never have offered myself as a  
Spanish teacher, nor was Spanish  
mentioned in our correspondence.  
Moreover, last year, and at the  
present time Spanish is taught by  
the teacher of the Mexican children,  
not required of the teacher of the  
other children. It seems but natural  
the Mexican teacher should hear  
lessons in Spanish except in my  
class. I must be dismissed. If such a  
charge could be sustained may not  
any teacher in Texas be dismissed  
any day?  
Third: "Not hearing all the les-  
sons." Since the Department of Ed-  
ucation has ruled that this is admis-  
sible in a review, as mine was, it  
is no further discussion.  
Fourth: "Because I couldn't take  
of nine grades by myself." Has  
the Superintendent or the trustees  
stopped to figure a little on that  
question?  
Seven hours is now considered a  
half-day, but 1 1/2 hours is taken  
in recesses, leaving 5 1/2 hours  
for recitations. Now,  
grades should recite at least  
three lessons daily; but by using a  
ingenuity the teacher may elim-  
inate three of the lessons by combin-  
ing classes, and thereby reduce the  
number of lessons to be heard to 40.  
If you divide 330, your number of  
minutes by 40 the number of lessons  
heard and you get 8 1/4 minutes,  
which is the time allowed for each  
recitation throughout the day. Mind  
you, to get this 8 1/4 minutes not a  
minute of time is to be lost during the  
day, nor has any time been allowed  
for recitations, assigning next  
day's lessons, and dismissing the  
classes.  
The course of study, put out by  
the Department of Education, recom-  
mends that from 15 minutes to 45  
minutes be spent on each recitation.  
It also advises that no teacher can  
efficient work with more than  
three or four grades. Surely if the  
Superintendent and trustees had con-  
sidered the absurdity of one teacher  
teaching nine grades I would  
not have been dismissed on this  
charge.  
Now, let us consider the situation  
from another viewpoint. Suppose the  
State Board had seen fit to decide  
that I was not to be dismissed, would  
Kincheloe school really have been  
ruined by such a decision? Where  
the teacher that would have a  
school with the probability of being  
dismissed at the end of three weeks on  
such charges, or similar ones, as  
in my case? As it is, a teacher  
now reasonably sure that he will  
be allowed to teach out the term con-  
tracted for or at least get his pay.  
It is to be hoped that a general im-  
provement in our schools is near at  
hand.  
Before closing, I wish to ack-  
nowledge my debt of gratitude to  
G. C. Morris of Devine for the  
valuable interest, as my lawyer, in  
winning the case. He spared no  
effort nor left no stones unturned.  
His lawyers too gave me sound,  
scientific advice. As stated in  
my first write-up, I don't know of  
any other lawyer that advised the  
trustees.  
With best wishes to all and a sin-  
cere hope for better schools, I am,  
Respectfully,  
J. T. Etheredge

DEVINE NEWSLETS.  
From The Devine News.

**Lytle People Tired of Mistreatment.**  
The people of Lytle are sick and  
tired of the treatment they have  
been getting in road matters, and  
when the County Authorities refused  
even to let them put up the money  
to finance their own road in any way  
with the Federal and State Highway  
help, they felt that they would prefer  
to be united with Bexar county, or  
Medina, from either of which they  
could be treated fairly at least. A  
movement is on foot, we understand,  
to try to get connected up with  
Bexar; and with the help of that  
strong county and the daily press  
of that city, they ought to be able  
to do something for relief.

**Devine Wins County Championship**  
Here.

On January 19, the local basket  
ball team mopped up Hondo, by a  
score of 34 to 0, and Friday after-  
noon, Yancey brought over her team,  
accompanied by the school faculty,  
the preacher, Judge J. Burgin and a  
lot of other good folks, and witnessed  
their defeat by a score of 30 to 12.  
The Yancey boys were more nearly  
a match to our boys than were the  
Hondo team, and at one time it look-  
ed like Devine was going to have hard  
competition, but Yancey weakened,  
and our boys got better, holding the  
ball most of the time and scoring  
heavily at the last. Devine's crack  
team will represent Medina county  
at the district meet. Coach Soyers  
refereed the first half of the game  
and Coach Wilcox, of Yancey, the  
last half. There was not a murmur  
of dissatisfaction, from either side,  
so far as we heard. During the last  
quarter Devine exchanged her play-  
ers to give the others practice.

**Devine's Highway Is Now Ready**  
For Topping.

The graveling of the 13 1/2 miles  
of the Meridian Highway through  
this section of Medina county, is  
now about completed. A little more  
topping in places, and we will be  
ready for the asphalt. Just when  
this will be put on we have not heard.  
Kuykendall and Shelton, the con-  
tractors here have finally closed up  
with the court for the work on the  
Old Spanish Trail, through the center  
of the county, from Hondo City to  
the Bexar line, and after one whole  
year of road activities here, the main  
road building in this county will be  
east of Hondo and around Castro-  
ville. With the gravel all settling  
down and cementing together, and  
the splendid concrete bridges, we can  
boast of a real good road.

Our truck men don't seem to think  
their stuff is damaged much by the  
freeze; but they express fears that  
the onion crop further down, where  
the plant is making bulbs, will be  
damaged again, as last year.

**IF SICK TODAY!  
TAKE NO CALOMEL**

**"Dodson's Liver Tone" Straightens You Up Better Than  
Salivating, Dangerous Calomel and Doesn't Upset  
You—Don't Lose a Day's Work—Read Guarantee**

I discovered a vegetable compound  
that does the work of dangerous,  
sickening calomel and I want every  
reader of this paper to buy a bottle  
for a few cents and if it doesn't  
straighten you up better and quicker  
than salivating calomel just go back  
to the store and get your money  
back.  
I guarantee that one spoonful of  
Dodson's Liver Tone will put your  
sluggish liver to work and clean your  
thirty feet of bowels of the sour bile  
and constipation poison which is  
clogging your system and making you  
feel miserable.  
I guarantee that one spoonful of  
this harmless liquid liver medicine  
will relieve the headache, biliousness,  
coated tongue, ague, malaria, sour  
stomach or any other distress caused  
by a torpid liver as quickly as a dose  
of vile, nauseating calomel, besides,  
it will not make you sick or keep you  
from a day's work.  
Calomel is poison—it's mercury—it  
attacks the bones, often causing  
rheumatism. Calomel is dangerous.  
It sickens—while my Dodson's Liver  
Tone is safe, pleasant, and harmless.  
Eat anything afterwards, because it  
can not salivate. Give it to the child-  
ren because it doesn't upset the  
stomach or shock the liver. Take a  
spoonful tonight and wake up feel-  
ing fine and ready for a full day's  
work.

FUNDAMENTAL REVELATION  
in  
DRAMATIC SYMBOL.  
By Rev. J. T. Horger.

XII.  
ABRAHAM, ISSAC and JACOB  
In the past eleven articles we have written of the triune God head, the triune manhood, the triune plan of salvation revealed in the dispensation of the FATHER, then that of the SON, and that of the HOLY GHOST.

We have tried to show that God has illustrated, and in a remarkable degree demonstrated the above Fundamental principles in Adams THREE sons; The Three stories in the Ark; the Three Kind of Creatures housed therein; (the unclean, the clean, and the redeemed); and then Noah's THREE Sons, and their posterity from the day that Noah pronounced the Curse upon Ham, (Canaan) and the blessing upon Shem and Japheth; as recorded in Gen. 9:25 to 27; from thence throughout the old Testament Symbolic dramas and on through the Holy Ghost Gospel dispensation, to the present time; and then I predict that this most Wonderful, Comprehensive and Extensive Drama of Noah's THREE Sons and their representative Descendants, will continue with us. The Negro, a descendant of Ham, will continue as a type of the unconverted, sin cursed soul of man; and the Jew, a descendant of Shem, will continue as a type of the merely regenerate children of God; and the Caucasian White Man,

the descendant of Japheth, will continue with us, as a type of the truly sanctified Children of God; yea, these will all be with us when the apocalyptic angel shall stand with one foot on the earth and the other upon the sea and swear by Him that made heaven and earth, and the seas that time shall be no more.

Yea, when the trump of God shall sound, and you and I shall stand before the Judgement seat of Christ, there to give an account of the deeds done in the body, even including the way and manner we have heard, received and heeded these revelations of light upon the fundamental principles of the redemption of our immortal souls;—yes, they will all continue until man's days of probation shall cease.

And now we come to consider these Tri Fore Fathers, of the Children of God: that is, Literally, according to the Flesh, they were the first Three Fathers, of the Israelites, the Jews; and they were the Illustrative representatives of the Elementary principles that constitutes the true spiritual Children of God, in every age, in every nation, and in every clime, from Adam to the end of time. From early youth, my attention has been called to the peculiar favor which God bestowed upon these Three Fore Fathers of Israel; and the fact that time and again, when God would be blessing, or promising to bless their Children, the Israelites; that He would state that He was blessing them, NOT FOR THEIR SAKE, but for the sake of ABRAHAM and ISSAC and JACOB; and for the sake of the covenants He had made with them.

And when Jesus came to realize the faith of the Roman Centurion. He said: verily I say unto you, I have not found so great faith, no not in Israel. And I say unto you, that many shall come from the east and the west, and shall sit down with ABRAHAM and ISAAC and JACOB in the kingdom of heaven.

"But the children of the Kingdom shall be cast out into outer darkness: there shall be weeping and gnashing of teeth." This apparent Favoritism on the part of God seemed all the more strange and confusing, when I came to know that the scriptures repeatedly state that God is no respecter of persons: "But in every nation he that feareth Him, and worketh righteousness, is accepted with Him". Then it came to me, that God is not a respecter of PERSON, but he is of CHARACTER. Then I began to study the character of these Three noted Fore Fathers of the Children of God; and by and by, from time to time, the light has fallen more and more upon them, and the part, that God evidently, had them play in the drama of the unfolding program of the plan of redemption.

And I came to realize: That, like Adams Three Sons, and Noah's dramas in the Scriptures, they acted out the Three different states of character, that each soul must pass through, and by grace must be transformed into, in order to be saved from all sin, and established in righteousness and true Holiness; which is the ONLY qualification that will keep men and women out of Hell, and take them to Heaven. Oh, I know that the above is a very small matter to a very large part of the rushing, surging mass of thoughtless, careless, humanity of the present age.

But by the authority of Jehovah, I dare say, that the time WILL come, and not far off, when the subject of sin and Hell, and righteousness and heaven, will be the ONLY subject that will have our attention; but with many, it will be too late then.

Abraham, was first called Abram; and primarily represented the unconverted sinner born of a sinful nature, and of idolatrous parents, and surrounded by a wicked world. That is Abram, originally occupied the same place, and played the same part in this TRIO drama, that Cain and his posterity played before the flood, as one of the THREE Sons of Adam; and also the same place, and part acted out by Ham and his posterity in the TRIO drama of Noah's THREE Sons.

But God, in this trio drama of Abraham, Issac and Jacob, is bringing out the possibilities of the unconverted sinner, through the virtue of the riches of grace, that come to the lost, dead soul, through the blood of the everlasting covenant.

As such, we want to look at some of the facts given in Scripture relative to the condition of Abram, at the time of our first introduction to him. Notwithstanding that he was a descendant of Shem, he, like all other unconverted souls, was by virtue of the fall of man, an Alien from the commonwealth of Israel, (Salvation) and a stranger to the covenants of promise, having no hope, and without God.

Not only did he represent the lost, but in reality he was, a lost soul walking in darkness. His condition, was in general, the same as other sinners: that is, he was born of the Flesh of a fallen, sinful parentage, and was ignorant of God's saving grace. Therefore, his soul was depraved, his spiritual appetite was perverted, and his spiritual vision was blinded.

His Father and Mother, Sisters and Brothers were in the same condition. He lived low down on the Euphrates river, in Ur of the Chaldees, even lower down than the city of Babylon, the God ordained type of worldliness, which was founded by Nimrod, a grandson of Ham, the God given type of the wicked.

We are therefore left to infer that the country where Abram was born and raised was mainly populated and dominated by the descendants of Ham, which stood for this wicked world in which all men are born.

Now His material condition and environments, doubtless were God ordained, to represent the spiritual condition and circumstance of every lost soul in this sin cursed world.

Namely, LOWDOWN on the river of time; with a fallen, depraved nature within; and among kinfolks of like character; also, in the midst of a sin cursed, Hamite, ungodly world; with face towards perdition, walking in darkness, not knowing what moment he would step over the precipice of time into the abyss of eternal night and everlasting Damnation. Now let the unsaved—the unregenerate, step, in a moment of serious reflection, and sober thought; and ask: "Is this indeed and truth, my immortal soul's condition? Is there no hope for one thus constituted, and thus invironed and enslaved?"

We, answer in the name of Him who said let there be light, and there was light; that there is hope through the blood of the "Lamb of God that taketh away the sin of the world", for you.

Abram heard the voice of God, calling him, saying: "Get thee out of thy country, and from thy Kindred, and from thy Father's house, unto a land that I will show thee; and I will make of thee a great nation and I will bless thee, and make thy name great; and thou shalt be a blessing".

Now, the land of Canaan, to which God proposed to lead Abram, was evidently prepared, and used by the Lord God to typify the state of Sanctification, that is, the experience and life of true Holiness—Genuine Salvation.

Just as God called Abram, to get out of his country, from among the Hamite heathen, even so is God calling the sinner today, to separate himself from the social life of the ungodly world;—"Come ye out from among them, saith the Lord".

And as God required Abram, so He requires the sinner, to forsake our Fleshly Father's house, and everything akin to our original nature, and to follow God our savior to a land of corn and wine, milk and honey. A land of spiritual liberty, everlasting life and perfect love. In Heb 11:8 we read, "By FAITH Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went."

Just here, we want to notice the relation between Abraham's two names, and the principle set forth by the word FAITH: "Abram" means "High Father"; and "Abraham" means "Father of

a multitude". Now FAITH, is the first, primary and BEGETTING principle, on the human side, in each and every step of experimental redemption. And FAITH, is the part that Abraham played in this wonderful trio drama—"Abraham, Issac and Jacob".

His two names represent the Sire-Ship, or Fatherhood of FAITH.

His first name, "Abram" (High-Father) represent the MINOR Faith unto Justification, (the new birth); which is evidenced in Gen. 15:6.

"And he believed in the Lord; and He counted it to him for righteousness".

His second name—"Abraham", (Father of a Multitude), represented the MAJOR Faith unto entire Sanctification, PERFECT love, which is clearly brought out in the 17th Chapter of Gen. When God demanded of Abram to walk before Him and be PERFECT; and changed his name from Abram to Abraham, and put him under the covenant of circumcision, a symbol of the heart purity wrought, when the soul is sanctified by the Baptism of the Holy Ghost and Fire.

So much for the PERSONAL Salvation of Abraham.

But we repeat that the part Abraham is playing in this drama, is FAITH, the Begetting principle on the human side, in every achievement in divine life.

Therefore, we again read in Heb. 11:9: "By FAITH he so-journed in the land of promise, as in a strange country, dwelling in Tabernacles with Isaac and Jacob, the heirs with him of the same promise".

So Abram, as he was yet called, was lead by the Lord, from place to place in the promised land, the type of the state of Salvation, and thus permitted to view it over, and to partake of its bountiful supplies of food and drink of its crystal streams and rest under the shade of its trees.

Here we have the picture of an honest, humble seeking sinner, with genuine faith in God's promise of Salvation, contemplating with anticipation the day and hour when God would fulfill His promise to him.

For God had told Abram, that the promised land would be given, not to him direct, but to his descendants, through a Son who was yet to be born to Abraham and Sarrai, who were then too old, according to nature to bear children.

Just as it lies not in the powers of fallen man to beget and bring forth within the heart the divine nature, the new creature, even so was Abram and Sarrai unable, without the direct intervention of the almighty to bring forth the son of promise, to which all the future promises were made.

Just as we are absolutely dependent upon God's creative grace, in answer to our unwavering faith, that we may receive within our hearts, according to God's promise, the NEW CREATURE, which is the only heir to whom all the future promises of God are made. Just so was Abram and Sarrai, shut up to FAITH, and Faith only, in the promise of Jehovah.

But just as the seeking soul for Salvation SHOULD be, even so was Abraham, for St. Paul, referring to him in Rom. 4:19 to 21, says: "And being not weak in Faith, he considered not his own body now dead, when he was about a hundred years old, neither yet the Deadness of Sarah's womb. He staggered not at the promise of God through unbelief; but was STRONG IN FAITH, giving glory to God; and being fully persuaded that, what He had promised, He was able also to perform. "Just as FAITH in the promise of God, brought the supernatural child to the house of Abraham, just so does Faith, on the part of the true seeker bring the supernatural life, the new creature into the soul.

Also the name which God gave this supernatural child given to the Faith of Abraham, is peculiarly significant: that is, "ISAAC" which means "laughter". Indicating the gladness and joy, on the part of the true people of God, when through their Faith, a Son or Daughter is truly spirit born unto God. Also, the name—"Isaac" meaning laughter, is figurative of the peace, gladness, joy and love that comes to every soul, that Faith brings into eternal life.

However, we will have to write another chapter, to complete the explanation of this trio drama.

**WONDERFUL WEATHER PREDICTIONS AMAZE THOUSANDS.**  
About forty years ago the Rev. Irl R. Hicks discovered and worked out for practical use an exact science in weather forecasting. This science is based on the equinoxes of the earth and the planets, the movements of the moon and planetary conjunctions. Annually for thirty-five years weather predictions based on this science have been given to several hundred thousand readers through the medium of the Hicks Almanac, now known as the St. Louis Weather Book.

All the great hurricanes, tornadoes, cyclones and general weather conditions during the past twenty-five years were predicted to the exact date, a year in advance. Thousands write us yearly testifying to the value of the predictions in this Almanac and several hundred thousands plan their work and business activity by it each year.

You will want a copy of this Almanac for 1923. It has more than 168 pages, and is fully illustrated.
